Bird Band Workshop

Grades 2-4 10:30am-Noon

No experience required. Come learn how to find your place in a musical ensemble. Whether you already play an instrument or not, you'll discover what it means to jam in a band, both free form and with structured material. This is a skill and a thrill you won't receive in a private lesson.

Sessions I, II, III, IV, V, VI

Police at Bird

Grades 5-8 1:00pm-3:00pm

Grades 9-12 3:30pm-5:30pm

Following our collaborative effort with ACT at Zeum, musicians enrolled in this program will focus on the singing, songwriting and stylistic practices of The Police. Come explore the history and techniques established by Sting, Andy and Stewart before their rise to fame on US soil. We'll integrate artwork, filmography and even noteworthy tabloid tidbits. Participants can opt for as many or as few sessions as desired.

Sessions I, II, III

Songwriting

Grades 5-8 1:00pm-3:00pm

Grades 9-12 3:30pm-5:30pm

Musicians of all skill levels aspire to creating and performing their own material. Using contemporary and historical artists as inspiration, we'll help you unleash and express yourself in song. Proficiency in at least one instrument preferred

Sessions IV, V, VI
